Contact Phone: (130) 242-1610  
Contact Fax:  
Contact Email: fredrik.bengtsson@doro.com

#### Filing Agent

Is this report being filed by an agent on behalf of a manufacturer? No

#### Product Labeling

Does the package label for all hearing aid-compatible handset models state that the handset is hearing aid-compatible? No

Explain: No handset offered during reported period.

If the handset model is certified using the 2019 ANSI Standard, does the package label for the handset model provide the actual conversational gain for the handset with a hearing aid and, if the handset model has different ratings for

different covered air interfaces or frequency bands the lowest rating assigned to the handset for any covered air interface or frequency band?

Explain:

If the handset model is certified using the 2019 ANSI Standard, does the package label for the handset model provide the actual conversational gain for the handset without a hearing aid?

Explain:

Do all hearing aid-compatible handset models include the required package insert or user manual with all the required information and disclosures? No

Explain: No handset offered during reported period.

Do all handsets that meet the criteria for an M3 rating by allowing the user to reduce the maximum power for GSM operation in the 1900 MHz band include the required disclosure?

Explain:

**Public Website**

Does your company maintain a public website describing all hearing aid-compatible models currently offered, the ANSI standard used to evaluate hearing aid compatibility, the ratings of those models under the relevant ANSI standard, if applicable, and an explanation of the rating system? Yes

Website address: <https://www.doro.com/globalassets/files/us/hearing-aid-compatibility.pdf>

Explain:

**Consumer Outreach**

Describe consumer outreach efforts in the past 12 months: Basic information available on our US web page.
